Rejoice, Refresh & Rejuvenate with the Beautiful Rain Shower from Watertec, made from stainless (304 grade) steel with mirror finish. Versatile Washing Multifunction rain shower which will turn regular bathing into an ecstatic experience. Customize your shower experience with a variety of adjustable water flow options.

With the flick of a switch, go from pulsating rain, to a relaxing waterfall, to a gentle mist to wash and dual waterfall.... just the way your heart desires. Discover the warmth of **Chromotherapy** - Changing colour LED with remote. Designed for ease of use and simple installation. High quality rubber shower nozzles enable quick and effortless cleaning of mineral deposits that can build up over time. Simply rub the nozzles to enable quick and effortless cleaning of mineral deposits that can build up over time.

Multi Functional Shower

Discover a luxurious showering experience with Multi-function Rain showers by Watertec - our premium offering of showers - crafted to enliven your senses. Revel in the mini-streams of joy that you can personalise to Normal, Soft, Massage, Cascade or Mist mode to suit your mood. Just use the Click Position mechanism to switch between shower modes and change the water function. In-built **Bluetooth**, Hi-Fi speaker system and changeable **LED** lights make every shower a soothing experience.

Enjoy the invigorating tune of a shower with LUXE' range. Maximum indulgence at minimal cost. Upgrade your bathroom from a range of Shower columns, OHS, Hand showers & Rain showers.

Watertec Rain showers are thoughtfully designed to deliver premium showering experiences. These feature-rich showers have been designed to offer a luxurious full spray. While the Fast Clean shower nozzles prevent lime build-up, the new, improved Rain Spray dispenses 50% larger, softer water droplets. Besides, the Freeze Function ensures a drip-free showerhead after usage. Experience exhilarating showers at the click of a button - ranging from a pulsating rain to a relaxing waterfall to a gentle mist or a dual waterfall.

FEATURES :

Balance Technology
Improve spray force by 3 times

Self-cleaning technology
Self cleaning ensures fluent running water.

Water-saving technology
Super water-saving technology makes it environment friendly.

Raining technology
Special structure makes the shower like rain drops.

Simple and comfortable
Humanized design, easy switch, easy installation, easy use and easy maintenance

Air-intake technology
Flow force is used to intake air and mix it with water, to multiply the oxygen content.

Hand Shower

Hand Shower

Core technology

Enjoy MAXIMUM PRESSURE always with the SELF-CLEANING SHOWER HEAD that will never block up. Avoiding the hassle of having to clean hard to reach shower heads. Tested to last OVER 50 YEARS of showering (100,000 cycles)

The Self-cleaning Hand Shower deliver a total coverage and continuous pressure spray that will never weaken due to the build-up of lime scale.

Eco-Friendly water-inlet pipes to isolate with chrome plating, make showering environmental and comfortable

Small button with variety functions:

Touch to change modes - "Spray" , "Jet-Spray" , "Spray+Jet-Spray".

Air infused technology

An intellectual method of mixing air & water.
 1:3 of air & water combines to form numerous bubbles
 making the spray soft and comfortable.

ONE-CLICK SWITCH-FUNCTION

SELECT

Powerful rain shower, enjoy showering sensation

Soft shower column, eases physical fatigue

Joyful mixed rain and column water, most perfect shower experience

Press gently, to enable spray functions.

Warranty

WARRANTY GUIDE

This warranty is not valid or effective if the products are not installed according to the installation guide. Improper handling of the products automatically terminates and nullifies this warranty. Improper care and cleaning will void the warranty.

Warranty period will start from the date of invoice and shall automatically terminate upon the expiry of the warranty period even if the products has not been installed after purchase or has been in the use for any part or whole of the warranty period for any reason whatsoever.

In the event of any repairs / replacement of any parts of the product, this warranty shall thereafter continue and remain in force only for the unexpired period of the warranty and no extension of the warranty period will be granted. This warranty is only applicable for the manufacturing defects and under no circumstances the manufacturer will be liable for any other defect caused due to indirect, incidental and consequential damages of any kind.

This warranty is only effective if the defective product is substantiated with the proof of purchase such as invoice copy / warranty card. This warranty remains applicable only if the product has at all times been used strictly in accordance with the terms of this warranty and has not been improperly or negligently handled.
